

To Whom it May Concern:

July 30, 2012

It is my pleasure to write a recommendation letter for Mrs. Debbie Fucoloro. Mrs. Fucoloro is a leader among her colleagues, and she is a life-long learner. She is aware of the latest research in education, and excels in providing professional development for her colleagues.

During the time that I have worked with Debbie, I have found her to be one of the truly most competent individuals that I have had the opportunity to work with. Debbie has earned the respect and admiration of all of our staff members. Debbie is a very energetic and committed individual who has consistently demonstrated the highest level of competence in the area of Social Studies and in her role as a Technology Specialist.

As a teacher, Debbie has demonstrated an exceptional rapport with parents, students, faculty and building administration. Her ability to lead and support her students in the latest technological trends has enriched the educational experience of her students. She is always willing to go the extra mile for her students and the school. Debbie is articulate and highly organized in all that she does.

I am confident that Debbie will be highly successful in her future endeavors. I recommend Debbie without hesitation and would be happy to offer additional information to support her candidacy.

Sincerely,

Mrs. Susan Cunningham
Principal
